

Job

VS

Career

Job is the Goal.

Job is a Stepping Stone.

Accepts a broader work environment criteria.

Requires a specific work environment criteria.

Different Industries or Work.

Same/Similar Industries and Work.

Longer job search as a solo act.

Career network shortens search, has your back.

Focus on Annual Pay Raise.

Focus on Role & Income Upgrades.

Jack of All Trades with shallower skillsets.

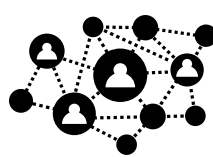

Master of a Trade with deeper skillset.

Fixed Mindset.

Growth Mindset.

Connects to Find Jobs.

Cultivates Connections so Jobs Find Them.
